## PAYMENT OPTIONS

Our billing procedures and payment options have been developed for the convenience of Fairmont's parents.

**Credit Card** — Credit cards are accepted for one-payment plan and two-payment plan options as well as tuition deposits and registration fees.

### **Option A — One-Payment Plan**

Submit one payment for total charges, due July 1, 2018, and receive a **\$250 discount**. The discount will be forfeited if payment is not received by the due date.

### **Option B — Two-Payment Plan**

Tuition is paid in two installments, with a total of a **\$125 discount**: 70 percent of the tuition is due on July 1, 2018; the remaining 30 percent is due on December 1, 2018. The discount will be forfeited if payment is not received by the due date.

### **Option C — Ten Electronic Fund Transfers (EFTs)**

Families who wish to pay monthly must complete the EFT Authorization Form and submit it at contract signing. This form will allow Fairmont to deduct payments from your bank account on the 1st or before the 5th of every month. Returning families who used EFTs for the 2017–2018 school year must complete the authorization form only if their bank account information has changed; otherwise, your account on file will be charged. There are 10 EFT payments for the school year beginning August 2018 through May 2019.
